

FBN Dummerstorf 2010

Welcome to the 1st Graduate Meeting of Nutritional Physiologists in Animal and Human Nutrition Research at the FBN Dummerstorf June 16 – 19, 2010

The 1st GMNP (Graduate Meeting of Nutritional Physiologists) will be held from June 16 to 19, 2010 in Dummerstorf. The primary goal of this meeting is to bring young PhD-students and young postdocs together to establish contacts, and discuss their projects in a cooperative scientific and fun atmosphere. It is only open for this audience and independently organized and conducted by PhD-students and postdocs of the

Leibniz Institute for Farm Animal Biology.

The GMNP offers the opportunity PhD-students and postdocs in agriculture, biology, nutritional sciences, human and veterinary medicine to practice scientific communication by giving talks, presenting posters, and discussions with their peers.

Meet the challenge to give a talk or present a poster about your own research results in front of an audience of fellow PhD-students!

Abstract submission will be open until **April 16**

Registration (no registration fee) until **May 15**
