

## **Research Associate (Postdoc / Lecturer) Position at University of Hamburg**

I am searching to fill a postdoc / lecturer position in my new Animal Network Ecology group. It is a three-year full-time position (with possible extension by another three years). It comes with a lot of freedom for your own research and some teaching duties. It is an exciting time to join my lab full of opportunities.

Key requirements:

- research profile with a focus on biotic interactions of animals, documented by published papers
- sound knowledge of animal biodiversity (incl. arthropods)
- strong quantitative skills
- basic knowledge of German for teaching
